*The Senior Class*

As we the class of 1961 come to the end of our high school days, we are aware of the toils, struggles and the happiness that we have had during our twelve years at Seven Springs. Here in our SESPRISCHOAN we have tried to recapture some of the highlights of this school year for you. '

In the future, may this book bring you pleasant memories of the past time.

## *Dedication*

To you who have been so very helpful and inspiring to us and to you who have bestowed upon us an abundance of patience and understanding during the past four years we now say thank you. For these traits, along with your goodwill, we will always remember you. We can find no words to express our gratitude, so as a token of our appreciation we, the Seniors of 1961, dedicate this SESPRISCHOAN to all of our high school teachers.

### SENIOR MEMORIES

From these hallowed halls we now depart  
Fond memories carried within all our hearts  
Of the wonderfully happy, care-free days gone by  
Which in the future we shall recall with many a sigh.  
Days of preparation for our future years  
Days of laughter and of tears  
Days of growth, and love, and friendship  
Days forever to be treasured  
Their worth impossible to be measured.  
And now as we near our graduation day

Our respect and thanks we wish to pay  
To our parents, teachers and friends, one and all  
Who were there when upon their wisdom we had to call.  
As we seniors graduate this night  
Leave here clutching our cherished diplomas tight  
To the Future our bright and expectant faces turned  
Hoping to use, to our best advantage, the knowledge  
which here we've learned.  
Now to each and all of you we bid a fond farewell  
And go to meet our future which only time will foretell.

# Class History

We entered school in September, 1949, with Miss Ella Gillerlain as our teacher.

During the elementary grades we learned the usual subjects of English, reading, writing, arithmetic, and a few social studies.

In May, 1957, we graduated to high school. We could not have done it without the help of our teachers. They are as follows:

- First Grade--Miss Ella Gillerlain
- Second Grade--Mrs. Louise Gurley and Mrs. Betsy Martin
- Third Grade--Mrs. George Casteen
- Fourth Grade--Mrs. Horace Shivar
- Fifth Grade--Mrs. Morgan McKinny and Miss Evelyn Wrenn
- Sixth Grade--Mrs. Russell Kornegay
- Seventh Grade--Mr. C. L. Turpin and Mr. Jim Dunigan
- Eighth Grade--Mr. Mark Herring, Jr.

In 1958, we entered high school with Mr. W. L. Creel as our sponsor. The highlight of our freshman year was a trip to Kennel's Beach with Mr. Creel. We went swimming and had a weiner roast afterwards.

Mr. Hubert McClenny was our tenth grade sponsor. During our sophomore year we had several parties which everyone enjoyed very much.

Under the guidance of Mr. Gerald Waters, our junior year was a very eventful one. For a money making project, we had a tobacco drive and we also sold flower bulbs. The most enjoyable event of our junior year was the Junior-Senior Banquet which the juniors gave the seniors at Hotel Goldsboro.

Our senior sponsors were Mrs. Imogene Price and Mr. W. L. Creel.

The arrival of our class rings in October was a great thrill to everyone.

The greatest task of our senior year was the SESPRISCHOAN which took many hours of work.

On May 30, 1961, we graduated from high school with feelings of both joy and sadness.

No more are we a part of the student body, but we will always cherish the memories of our school years at Seven Springs High School.

# Class Prophecy

This is the year 1971. I, MARIE VINSON, am a hostess on the Trans-World Airlines. Each year on my spring vacation I visit each of my classmates to make an annual report on the graduating class of 1961. The pilot of the plane happens to be BUDDY SMITH and the owner of the airlines is EMORY DALY. The first place I visit is my home town, Seven Springs. My favorite motel there is PRICE'S, owned by GENEVA PRICE. Her two first-class helpers are LINDA HOWELL and LA VERNE PRICE. The next thing I do is rent a car from ALLEN GARRIS'S Rental Auto Service. The schools in Wayne County have been consolidated now. PEARL ADAMS is principal at the Seven Springs Elementary School and CLAYTON GARRIS is principal at the high school.

When visiting Grady's Crossroads, I saw a large brick home on one corner and a huge stock market on another. By the way they're owned by JAKE PRICE. Just a short distance from there, there's another nice home where ANNETTE GRADY and her husband live. Annette seems to like the job of housekeeping.

In Mt. Olive the top movie place is the Clear-View owned by BETH HEAD. She says the top movie is one in which one of our classmates is the star. KENNETH HOWELL has made the star he started out to be.

Next stop is Grantham where FAYE WEAVER resides with her husband who is Vo-ag teacher there. When coming from Grantham, I see Daly's General Store. PAULA MOZINGO is chief clerk there; wonder why? WAYNE HOLMES has a farm near Daly's Store. He had the highest tobacco average in the community last year.

In Duplin County the Ford Company is owned by GENE HINSON and his wife is his secretary. This covers every one living in North Carolina.

Next state and stop is Darlington, South Carolina. LARRY ROUSE is the top driver of the Darlington '500.

In Kentucky, I visited ALMA MOORE. She is a nurse at a general hospital.

VIRGINIA JACKSON has moved to Tennessee with her husband where he is a mechanic.

The two famous chemists of our times are the SUTTON Brothers, KENNETH and MICHAEL. They're researching at Cape Canaveral, Florida with DOROTHY CAROL PRICE as their assistant.

MAYNARD PRICE owns a cattle farm in Texas and DONALD STROUD is top rider at the rodeos there.

ELNA JARMAN is pianist for top singers in California.

In Hawaii are ROSELEEN BROWN and NANCY KING. They're with their husbands who are naval officers.

In New York ALLEN DEEVER plays the role of Perry Mason on T. V. NINA STROUD is a model in New York. She says the sack dresses are coming back in style.

BOBBY GRADY is a professor at Virginia State College. FORREST DUNBAR also resides in Virginia. Forrest has an unusual occupation, doing nothing.

#### OUR SPECIAL THANK YOU

We, the members of the SESPRISCHOAN Staff, who have worked so long and so hard to make this annual a success would like to thank all of those who cooperated so beautifully with us. We could never have made the goal without the help that each of you has given to us.

We are especially grateful to the following that we feel we must mention.

Thank you teachers. We know we have caused you much inconvenience but you were always patient and understanding. Mr. Rogers, we especially appreciate what you did for us for superlative pictures.

Thanks to all the students who cooperated with us in our attempts to cover our school activities.

To Strawbridge Studios who made all our pictures, we owe special thanks.

Special thanks go to Hunter Publishing Company for their patience and help in getting this yearbook to you.

Thanks to those who bought advertisements in order to make this yearbook a reality. Will you not read these ads and patronize those who have been so kind to us?

Dear Subscribers, thanks to you for buying the book. We do hope that you will enjoy it.

Above all, we, as members of the SESPRISCHOAN Staff, want to express our thanks to Mrs. Imogene J. Price, for working so willingly with us. Without her help, patience, and understanding this yearbook would not have been a success.
